

Introducing.....
Dapper Christmas at home.

It has been a strange year, and we have all had to adapt to a new way of life and a new way of socializing; With that in mind, Chef Karl has created some fantastic Christmas dining options to be enjoyed at home this year.

Our DAPPER AT HOME Christmas menus feature the same fantastic gastro pub dishes we serve here in our restaurant; all freshly prepared in The Dapper kitchen by Chef Karl and his team of chefs.

Our DAPPER AT HOME meals include simple preparation instructions, along with plating guidelines, so you can re-create a gastro pub dining experience for your guests within your own home!
